From: Matthew Winokur
Subject: world bank policy

Chuck passed on to me your memo re World Bank anti-tobacco policy. We've been aware of the development and passage of their policy. It's proved quite difficult to influence the outcome. We've had some contacts at Arnold and Porter assisting on this as well as an economist familiar with the bank. Wendy Burrell will continue to stay on top of this and see if there's any way to change the situation.
